

# **EXHIBIT E**

**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF OHIO  
EASTERN DIVISION**

**IN RE: NATIONAL PRESCRIPTION  
OPIATE LITIGATION**

THIS DOCUMENT RELATES TO:

*“Track Three”*

MDL No. 2804

Case No. 1:17-md-2804

Judge Dan Aaron Polster

**WALGREENS’ WITNESS LIST**

Defendants Walgreens Boots Alliance, Inc., Walgreen Co., and Walgreen Eastern Co., Inc. (“Walgreens”) hereby disclose the following witnesses that Walgreens may call to testify at trial. Walgreens separately joins the Pharmacy Defendants’ Joint Witness List and reserves the right to offer the testimony of the witnesses listed there.

Walgreens specifically reserves the right to amend, supplement, or otherwise modify these disclosures if new or modified information is provided at any point. Walgreens further reserves the right to supplement and/or to amend this witness list in response to rulings of the Court on pretrial motions and/or ongoing discovery. Walgreens reserves the right to call any pharmacists, field leaders, and prescribers identified in discovery responses and Walgreens’ prior disclosures, as well as any pharmacists, field leaders, and prescribers that Walgreens may identify through ongoing “notes” discovery. Walgreens reserves the right to call any of these witnesses in its case in chief. Walgreens further reserves the right to call trial witnesses not included in this disclosure in rebuttal to Plaintiffs’ case. In addition to the witnesses identified below, Walgreens may call to testify at trial live or by deposition any witness identified on any other party’s witness list, including witness lists provided by Plaintiffs and other Defendants, including any party that settles, is severed, or is dismissed.

Walgreens further incorporates all reservations in the Pharmacy Defendants' Joint Witness list. By providing this list, Walgreens does not admit or otherwise concede that any potential witness is under its control, or that it is able to require former employees to appear for trial in this case, by subpoena or otherwise.
